

Dear Business Owner:

**DelMoSports, LLC** is searching for sponsors to help promote the Wildwoods' signature sporting events! Despite the best efforts of Hurricane Bill, last year's 6<sup>th</sup> Annual Tri/Du/Run the Wildwoods Triathlon, Duathlon, and 5k running race was a massive success. Our sixth year attracted over 500 competitors from 14 different states, and we're expecting even more in 2010! DelMoSports believes in contributing to worthy causes and over the past six years we have given over **\$35,000 back to the community** to various charitable organizations such as the Life Rolls On Foundation, Lunch With Lynch, and the American Cancer Society.

How is your contribution used? Your contribution will be used to provide prizes for our award winners, t-shirts for our competitors, and food for our post-race breakfast.

**Types of Sponsorship:**

Our **premium** sponsorship gives your business an extra large logo on our t-shirt and website for the race of your choice. The price of a premium sponsorship is \$500.

Our **platinum** sponsorship consists of a logo on our t-shirt and website. The price of a standard sponsorship is \$250.

Our **gold** sponsorship consists of a listing on our t-shirt and website. The price of a gold sponsorship is \$100.

**Other means of contribution:**

DelMoSports, LLC will gladly accept goods and services toward this event. There are many preparations to be made and we can always use food, refreshments, and any prizes that your business is willing to contribute.

Please speak with Stephen Del Monte, race director, about contributing to this event. Please check one and sign below.
